Redemption draweth nigh; or the Great preparation

This history of UNESCO retraces almost 50 years in the life of the international organization, whose action...
in fields such as education, science, culture and communication have been at the heart of changes since World War II.

**Ellen White Comments on the Crisis Ahead**

It's been said that a man is not actually born when he comes out of the female body, since he doesn't know yet that he is born. He is actually born when he first obtains the knowledge of his birth. So it is when a revelation of great magnitude bursts upon a person's consciousness with the power to change his trajectory in life. The Life-Sentence centers on just such a revelation—a past-life experience that shatters Kip Morgan's sense of identity, leads him down a path of determined self-inquiry, and ultimately brings him closer to grasping the true reality of existence. Kip belongs to a generation that has never experienced the extreme violence and dislocation of the past. This relative ease has given members of his generation the chance to reflect on life in a way that members of previous generations did not have the time and opportunity to do. Many of those who have been granted this freedom know instinctively that time is an illusion. There is no past, no future. Everything occurs in a single moment, or in eternity. The lesson of The Life Sentence is that in order to understand what's really going on, we have to let go, let go of everything. And that's practically impossible for most of us because we're all preoccupied with our personal obsessions. There is only one true goal in life, and that is to get rid of these obsessions once and for all,
to be able to let go utterly, and thus be able to grasp the true reality of existence.

**Coalition Governments in Western Europe**

Provides policy and practical information for donors and recipients of book donation projects; is intended as an educational and training tool; sets book donations within the context of the book chain and the importance of enhancing the book industry in every UN member state, especially the developing world.

**The Final Crisis of the Stuart Monarchy**

**Male Roles, Masculinities and Violence**

**Ten Days that Shook the World**

Have you lost hope for a new beginning? If you believe your life is beyond saving-this book is for you. Willie Alfonso writes about his dramatic childhood story of growing up Brooklyn. He shares why he should be dead, dying of AIDS somewhere, or doing life in jail. His epic story with unbelievable comeback proportions will inspire the doubters, the skeptics, or anyone who has lost all hope for the future. Readers in It's A New Beginning will be be challenged by Willie's story to see: + Hope in the midst of devastating circumstances. + How to forgive the
unforgivable + How even the worst setbacks can be turned into comebacks. Read one of the most powerful comeback stories of all time! Dig into It's A New Beginning: How to Turn Setbacks Into Comebacks to find hope for your new beginning. What are you waiting for? During my entire career as a New York Yankee, I have had the privilege of knowing Pastor Willie Alfonso. I am eternally grateful for the wisdom I received from him over the years. Now in his new book, the rest of the world can experience the life and the ministry of a man who has been such a blessing to me. I know a good closer when I see one. This book will close the old chapters in your life, and set you up for a new beginning. -Mariano Rivera, #42 Retired Relief Pitcher, New York Yankees

Our backgrounds and stories sound very similar, but we have been placed in different arenas. It's A New Beginning: How to Turn Setbacks Into Comebacks captures the way God can take Willie Alfonso from a forgotten, broken child and turn him into a man that influences some of the biggest names in sports history. His story will encourage those who are experiencing setbacks, as well as spur on others to never give up on the ones with the tough exterior. -Nicky Cruz, Evangelist and Author Chaplain Willie Alfonso's story is nothing short of a miracle! Read it and you'll be inspired to a new level of faith. - Jim Cymbala, Senior Pastor, The Brooklyn Tabernacle

**Kick Ass Resumes**

Do you desire a more meaningful study and prayer life? Do you feel the need to reach out to others for
Christ? If so, you’ve come to the right place. This book contains 40 days of devotional studies designed to strengthen your relationship with Christ and enable you to lead others to Him. God wants to do something significant in your life, too. Not only does He long to draw you into closer fellowship with Him but also wants to minister to others through you. And as you spend 40 amazing days with God, He will prepare you for earth’s final crisis and Christ’s long-anticipated second coming.

**Accidental Safari**

Note: 50% of the proceeds from this book will be donated to a mental health organization focused on helping anxiety, depression, and suicide.* Hey YOU! Yes you the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I (stupidly) decide to proclaim my love for her in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man do I regret that moment -/ I wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like "From navigating online dating apps and relationships, to self-centered friends, and
emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well If you made it down here I'd say this book is for you. If you didn't, oh well. #YOURLOSSBUDDY. Thanks for all the memories, James Merllot (The Protagonist of this story) *Donation will be made once a year in December. See www.alwayswearheadphones.com for more details.

**What's Your Green Goldfish?**

A History of Mediaeval and Modern Europe by Henry E. Bourne. This book is a reproduction of the original book published in 1905 and may have some imperfections such as marks or hand-written notes.

**Always Wear Headphones**

"This book is a slice of intensified history—history as I saw it." So begins John Reed’s first-hand account of the Bolshevik Revolution of 1917. Much anticipated when it was published in 1919, Reed’s narrative remains as riveting today as when the events he describes were still reverberating throughout the world. Reed was hardly a disinterested observer, and his involvement in the Communist labor movement lends urgency and passion to his classic account. He vividly describes events in Petrograd in November.
1917, when Vladimir Lenin and the Bolsheviks stormed the Winter Palace and seized the reins of power. Despite Reed’s personal leanings, which he made no attempt to hide, the book garnered praise from luminaries across the political spectrum. George F. Kennan, the American diplomat, and father of the policy of Soviet containment, said that “Reed’s account of the events of that time rises above every other contemporary record for its literary power, its penetration, its command of detail. It will be remembered when all others are forgotten." Reed was committed to telling the story of the Russian revolution as truthfully as possible. That the book was banned by Russian premier Josef Stalin is a testament to the author’s success in carrying out his mission. One hundred years after Russia and the world trembled, Ten Days that Shook the World brings alive the momentous events of 1917.

**Book Donations for Development**

The Minor Prophets were the courageous and true spokesmen for God during the time of the great Assyrian, Babylonian, and Persian empires. Joel's prophecy appears to be the first of all the books of prophecy, and Malachi the last. They are called Minor Prophets because they are shorter in length than the Major Prophets. However, their writings are no less important. We will look at the prophets in their chronological order. Joel, Jonah, Amos, Hosea, and Micah prophesied during the Divided Kingdom. Nahum, Zephaniah, Habakkuk, and Obadiah were prophets in Judah before the Babylonian Exile.
Haggai, Zechariah, and Malachi prophesied after the return to Jerusalem from the exile. Jonah of Israel and Nahum of Judah prophesied against the city of Nineveh in Assyria. "Before the time of Christ these twelve books were joined together to make one scroll known collectively as "The Twelve."

"Kick Ass Resumes" is designed to let you present yourself to an employer in a positive manner by focusing on those unique attributes you possess in such a way that you are selling yourself to get the job you want giving you an edge over other job seekers. The proven content has been developed to help you provide the information that employers really want to know about you: + That you can do the job + That you will "fit" into the organization + How well you can do the job +How well you will "fit" "Kick Ass Resumes" contains practical, easy to understand information plus fill in the blank worksheets that will help you prepare a resume that sells you. It also has: + Step by step instructions + Easy to follow tips + Lists of words
that add "sizzle" + Mistakes to avoid "Kick Ass Resumes" does not follow the format of most other books on resume preparation which seem to adhere to the precept that employers have total control of the hiring process. It offers tried and true methods that have helped thousands get interviews and jobs for more than 20 years. The content has recently been read and approved by hiring authorities in manufacturing, wholesale, retail and government organizations.

Yes!

Provides the final report of the 9/11 Commission detailing their findings on the September 11 terrorist attacks.

Interviewing for Love

Conflict-related sexual violence (CRSV) refers to violent acts of a sexual nature, including rape, sexual slavery, enforced prostitution, forced pregnancy, enforced sterilization, mutilation, indecent assault, trafficking, inappropriate medical examinations, and strip searches. CRSV frequently occurs when undisciplined militaries, police forces, or other armed groups believe they can act with impunity against vulnerable individuals. Peacekeepers, in conjunction with other actors, must ensure that sexual violence is addressed as a major area of focus and is routinely incorporated into their Protection of Civilians (PoC) efforts. CRSV frequently occurs during and after armed conflict, and is common within fragile states. It
is impossible to obtain a safe and secure environment with adequate protection of civilians if CRSV is a widespread problem. Sexual violence is often a component of genocide, mass atrocities, and crimes against humanity and may occur as part of a deliberate and systematic campaign to target a victim group (for example, to destroy families and communities or to support ethnic cleansing from an area). It may also occur in a more decentralized fashion due to a general lack of security and stability. Sexual violence is a crime and should not be dismissed simply as a social problem. However, CRSV is a problem that persons in authority too easily overlook. While CRSV is often assumed to be directed against women and girls, CRSV also includes assaults against men and boys. The threat of CRSV also has an adverse effect, as potential victims may avoid necessary activities such as travelling, working, farming, obtaining water, or collecting firewood if they are vulnerable when doing so.

**We Can Be Who We Are: Movie Musicals from the '70s**

**The Life-Sentence**

Interviewing For Love is not just a woman's guide to compatibility. It is a woman's guide to self love, motivation and inspiration. It is great for a single woman seeking companionship and anyone seeking change for the better. It is the must have self-help/reference book to encourage the woman of
awareness. Inside, you will find the tools to learn and understand self. Happiness comes to those who have the strength to be honest with self and the willingness to make a change.

It's a New Beginning

The Minor Prophets

Eleven-year-old Alex Peterson may be the least-athletic boy at his school, yet he dreams of accomplishing something "not a whole lot of other people in the world have ever done": a 200-mile, single-day bicycle ride from Seattle to Portland. Alex discovers that if he's to reach even the starting line, he must overcome more than his physical disability. He must also find a way to revive his father's own long-dormant dreams, and convince his dad to join forces with him, before they can achieve together what neither would on his own.

The Final Crisis

It was 3:15 in the a.m. When popular chanteuse and dancer of no fixed pole, Maxine Boukowski, entered the office of Mercy Wilson, neither could've foreseen the carnage and chaos that was about to unfold. Up-market Gene-Freaker, Dr Munroe, had already sold 12 of her eggs - and the 13th was supposed to be her son. But the dozen Fast Breeders have been ritually slaughtered, Doc's gone into hiding, and Maxine wants her baby boy, no matter what the cost.
Meanwhile, Johnny Neutrino's back in town, Nurse Jackson from the Agency is on the warpath, along with the Nebreshi High Council. And, Johnny being Johnny, you just know it's never going to end well. Welcome to New Chicago, a metropolis on New Earth, and a whole new world full of walking, talking Garbage - though most of it likes to call themselves Citizens.

The Word was Made Flesh

The 9/11 Commission Report

This volume presents a detailed empirical analysis based on a large cross-national data collection, covering the entire post-war period from 1945 to 1999.

The Last One Standing

What's Your Green Goldfish is based on the simple premise that employees are the key drivers of customer experience and that "Happy Employees Create Happy Customers." The book focuses on 15 different ways to drive employee engagement and reinforce a strong corporate culture. It's the second book in the goldfish trilogy. The first book was an Amazon Best Seller entitled, What's Your Purple Goldfish. Purple focused on customers, whereby Green focuses on employees. Both books are based on a revolutionary new approach called marketing g.l.u.e. (marketing by giving little unexpected extras). The book is based on the findings of the Green
Goldfish Project, an effort which crowd sourced 1,001 examples of signature added value for employees. Key themes emerged from the Project. The book is filled with over 200 examples. PRAISE FOR WHAT'S YOUR GREEN GOLDFISH "Stan is the sherpa that guides executives along the journey between the heart and mind of business stakeholders. Stakeholders aren't always customers though. At a time when company vision and culture matters more than ever, it takes inspired and engaged employees to bring them to life." - Brian Solis, author of What's the Future of Business #WTF, The End of Business as Usual and Engage "So often overlooked, and so very vital to building company value empowering employees to support each other and the brand. Stan Phelps 'gets' it and Green Goldfish will walk you step-by-step though achieving this critical goal." - Ted Rubin, author of Return on Relationship "Great customer centric organizations only exist because of engaged and empowered employees. The Green Goldfish is packed with awesome examples of what world class companies are doing today to inspire and reward their employees. If you see value in truly building an "A Team," Green Goldfish will be, without question, your single best reference." - Chris Zane, Founder and President of Zane's Cycles, author of Reinventing the Wheel, the Science of Creating Lifetime Customers "Stan Phelps takes customer service to a whole new level by focusing on EMPLOYEE service, and how to do well by your employees - so they take care of your customers. Packed with stories, insights and R.U.L.E.S. any company can follow, this book is a must-read for managers of companies of all shapes and sizes who
know that employees don't leave jobs - they leave managers, especially when they don't feel your love and appreciation. Pick this up, and start engaging your team and making more GREEN - Phil Gerbyshak, author of The Naked Truth of Social Media "Our large-scale research shows unequivocally that engaged employees are more likely to work longer, try harder, make more suggestions for improvement, recruit others to join their company, and go out of their way to help customers. They even take less sick time. Companies can tap into the enormous value of engaged employees by following the 15 ideas that Stan lays out in this book." - Bruce Temkin, author of The Six Laws of Customer Experience "Too often, the actual employment experience delivered on the job does not measure up to the version sold to job candidates during the interview process. In What's Your Green Goldfish, Stan Phelps offers 15 ways to close the gap." - Steve Curtin, author of Delight Your Customers: 7 Simple Ways to Raise Your Customer Service from Ordinary to Extraordinary (AMACOM, June 2013) "In What's Your Green Goldfish, Stan Phelps brilliantly applies the idea of 'doing a little something extra' for employees. You know, those people that actually get the work done and keep customers happy. Read it, put some of the ideas to work, and soon you'll be reaping more 'green' from your customers." - Bob Thompson, Founder and CEO, CustomerThink Corp.

Selected Messages Book 2

We are in trouble. Church attendance has dropped,
spiritual life in our services has ebbed and we face a serious lack of people preparing for the ministry. Perhaps most alarming is that we have failed to reach or keep our youth. The Sunday school rooms and youth groups of many churches have no real hope or strategy in place to bring them in. Beyond this, dozens of churches close each week never to reopen, while just a few new ones are started. Without some real changes in these areas we will lose our Christian influence in this nation almost entirely in the very near future. Certainly God has not planned for the failure of His church.

**A History of the Preparation of the World for Christ**

While everyone loves to hear "Yes," when they ask for something, too many fear that they might get a "no," instead and that fear prevents them from even trying. "YES!" gives people the opportunity to explore the risk/reward of overcoming that fear which is causing a two letter word to hold them back from their success. Read what others are saying. Glowing Comments from Business Leaders About Yes! - How Noes Prepare You For The Yeses that Shape Your Future John Fuhrman "Enthusiasm is contagious, and "Yes!" is worth catching." -Annette Sykora, Past Chairperson, National Auto Dealers Association and owner of multiple dealerships "Say Yes to Yes! John Fuhrman's lessons and philosophies apply to an individual's pursuit of a more fulfilling life as adeptly as they do toward the pursuit of sales and marketing excellence. This is truly an inspirational read for all." -Stan
Starnes, President Dent Zone Companies "John's book, Yes!, is a breath of fresh air in the world of leadership. His advice is touching and insightful, and makes me want to truly focus on mentoring others. My entire dissertation was on mentorship and this book inspired me to more effectively reach out to others in the field." -Dr. Paula Kennedy-Dudley, Director of Student Services, School of Nursing University of North Carolina at Wilmington "John has written another masterpiece in personal growth. Yes! Is a fascinating and insightful interpretation of two simple words we use every day. After reading this book, you may never look at yes or no in the same way." -Carolyn Kindley-Single Broker/Founder/Certified Mentor Green Parachute, LLC "Congratulations on a great read! You remind us of the importance of staying positive; having a great plan. I like the way you interweaved personal experiences to illustrate various points. Thank you for sharing Yes!" Michael McHugh Senior Vice President of Sales GMAC Insurance

The Adventures of Kalamazoo

Who says having all your dreams come true is a good thing? Serenity Winters is taking the summer off. After her last year included crushing on the wrong guy (again), having her best friend move all the way across the country, and an unexpected loss she's still not prepared to deal with, she deserves it. And a visit to see Maia in California seems the perfect getaway. Beaches, bonfires and boys? Yes please! But Rennie's dreams aren't so easy to elude. Sketching what she
can remember of them helps some, but her drawings are taking on a life of their own and the dreams they represent are starting to come true. Enter Alex, who may or may not be perfect. (No, who is she kidding? He's perfect. Great hair, plus he can quote Hamlet and Yoda? Come on!) But Alex has secrets of his own, namely a hidden ability to transport himself through time using a book as a portal. Could it be that both Rennie and Alex are being drawn in to the same mystery? They better find out quickly, because her dreams are getting louder. And they know her by name.

A History of UNESCO

Last Day Events

The movie musical has been a much loved genre since motion pictures found a voice and learned to sing. Throughout the decades, audiences thrilled to the glamour of the musicals of Busby Berkley and were emotionally invested in stories about Austrian nuns and the King of Siam with the musicals from Rodgers and Hammerstein. With the advent of Rock 'n Roll, Heavy Metal, R&B, Motown, Punk Rock, and Disco entering the public consciousness, musicals started to sing a very different tune. Into the 1970s, the movie musical became a daring, dangerous, and divinely decedent cinema experience. Lee Gambin's We Can Be Who We Are: Movie Musicals from the 1970s explores this explosive energy and diversity. From the quirky sophistication of On A Clear Day You
Can See Forever and the dark unnerving genius of Cabaret to the sweet sentimentality of Charlotte's Web, Gambin's book offers insightful film criticism while exhaustively covering the decade. Some of the films Gambin examines include Phantom of the Paradise, Grease, The Wiz, Rock'n'Roll High School, Bedknobs and Broomsticks, All That Jazz, Godspell, Hair, The Rose, Saturday Night Fever, The Rocky Horror Picture Show, Willy Wonka and the Chocolate Factory, Pete's Dragon, Tommy, Kiss Meets The Phantom of the Park, and many, many more. The book also features incredible brand new interviews from dozens of extremely talented artists who made these movies possible: director John Carpenter discussing his biopic Elvis; Lesley Ann Warren giving fascinating insight into the made for TV production It's A BirdIt's A PlanIt's Superman; auteur filmmaker Norman Jewison delivering two very different musicals with Fiddler on the Roof and Jesus Christ Superstar. This book is loaded with numerous production stories and candid insights into how these films were made and received. Gambin's book also features loads of wonderful photos, many of which have never before been seen including wonderfully candid behind the scenes stills!

**Great Preparation, Or, Redemption Draweth Nigh: First series**

In the year 2049, ten-year-old Brian is thrust into crisis when gigantic ant-like aliens invade Earth to capture children as a food source for their young. With his elementary school reduced to rubble, Brian
learns his little sister, Amber, is among the captives. His family reveals a secret friendship with a man from another planet who is familiar with the unmerciful assault these aliens are known for. Brian and his little brother must find and rescue their sister as well as dozens of other children stolen by the invading aliens before they all become food, and in doing so, might even help save the world. Brian must find his way onto the alien space ship, defend himself and his brother against the bloodthirsty invaders while searching for Amber and fight his way back off the ship when the aliens lock the craft down, trapping him. This must be accomplished during a deadly bombing raid by the United Federation of Earth, and Brian is running out of time.

**Saving Amber**

An accident or sudden health crisis can unexpectedly thrust you into an ACCIDENTAL SAFARI of your own - a fight for survival in a jungle of red tape and life or death decisions. This handbook is a guide into unfamiliar territory where predators and pitfalls lurk around every twist and turn of the path. Plan now and enjoy peace of mind.

**Massachusetts Test Prep Student Quiz Book Mcas Mathematics Grade 3**

Preparation for the Next-Generation MCAS Tests for 2016-2017! This extensive skill-building quiz book contains over 200 pages of quizzes targeting over 50 mathematics skills! Each quiz focuses on one specific
skill, with questions progressing from simple to more complex. Students will develop a thorough understanding of each skill, while also gaining experience with all the types of tasks found on the new Next-Gen MCAS tests. Divided into Convenient Topics - Covers every skill listed in the Massachusetts Curriculum Frameworks - Includes sections for operations and algebraic thinking, number and operations, fractions, measurement, data, and geometry - Each section contains a focused quiz for each individual skill - Each quiz includes a range of question types and increasing rigor to develop a thorough understanding of the skill - Targeted format allows test preparation to be easily integrated into student learning Prepares Students for the Next-Generation MCAS Assessments - Covers all the skills assessed on the Next-Gen MCAS mathematics tests - Provides practice completing all the question types found on the test - Includes multiple choice, multiple select, short answer, technology enhanced, and open response question types - Prepares students for questions that involve explain their thinking, justifying answers, or describing mathematical concepts - More rigorous questions prepare students for the higher difficulty of the new assessments - Guided tasks teach students what is expected in answers Key Benefits - Develops a thorough understanding by focusing on one skill at a time - Reduces test anxiety by allowing ongoing test practice - Individual quizzes allow gaps in knowledge to be targeted - Ensures students are comfortable with a range of question formats - Prepares students for all the question types found on the MCAS tests - Provides revision and test practice as the student learns
Final Crisis (DC Essential Edition)

What happens when evil wins? That's the question Superman, Batman, the Justice League and every being in the DC Universe must face when Darkseid and his otherworldly legion of fanatical followers defeat the World's Greatest Heroes. How will they rally back? More importantly, can they? Collects FINAL CRISIS #1-7, DC UNIVERSE #0, FINAL CRISIS: SUPERMAN BEYOND #1-2 and BATMAN #682-683 as a DC Essential Edition!

Full Cycle

Kalamazoo behaves like an ordinary cat—some of the time. He purrs, bats tinfoil balls, chases birds and mice, is finicky about his food, twitches his tail, cleans himself, and sleeps a lot. But Mooze—as Jim calls his cat-buddy—also plays guitar, paints, rides a Harley, types on a laptop, and sails in the Gulf. Jim never knows what Mooze will do next. Here's a snippet from the time the two friends recreated a steer wrestling event they'd been watching on TV. It was Jim's turn to play the steer. Mooze wandered off to his room and took the longest time in preparation, while I put away my hat and boots. I left the shirt on since it was sweaty anyhow. I was about to call him when I heard a slurred, "Buenas tardes, amigo." He made his entrance in style, sashaying into the living room wearing the fanciest boots I'd ever seen on a cat-
blackened armadillo, mind you. His little ears poked through a tiny black Stetson. Chaps with more studs than a rock star protected his rear legs. A black silk bandana circled his neck. He must have practiced the bow-legged walk, because he had it down pat, and I mean pat.

**Detritus**

Discovering Literacy : Access Routes to Written Culture for a Group of Women in Mexico

**The Key to Victory**

This book is based on an expert group meeting entitled 'Male Roles and Masculinities in the Perspective of a Culture of Peace', which was organised by UNESCO in Oslo, Norway in 1997, the first international discussion of the connections between men and masculinity and peace and war. The group consisted of researchers, activists, policy makers and administrators and the aim of the meeting was to formulate practical suggestions for change. Chapters in the book consist of both regional case studies and social science research on the connections of traditional masculinity and patriarchy to violence and peace building. The Culture of Peace initiatives in this book show how violence is ineffective, and the book contests the views in the socialisation of boy-children that aggressiveness, violence and force are an acceptable means of expression.
Preparing to Prevent

Preparing for Motherhood

Written in a lively and engaging style, and designed to be accessible to a broader audience, this collection combines new research with the latest scholarship to provide a fresh and invigorating introduction to the revolutionary period that transformed Britain and its empire.
